ACCESS AT GULLIVER'S

Gulliver's Theme Park Resorts welcomes visits from guests with access requirements.

We work closely with Nimbus Disability and the National Register of Access Consultants to continuously improve access solutions within resorts.

Many of our team members have received disability awareness training which includes understanding of The Equality Act and disability etiquette to ensure guests have access to the requirements to be able to enjoy a day at Gulliver's Valley!

RIDE ACCESS PASS

Guests with particular additional needs who are unable to queue may be eligible for a ride access pass. This would allow them and up to three accompanying helpers access the ride via the exit area for ease of access.

In order to offer the most inclusive experience for all visitors, there are a limited number of Ride Access Passes available for each operational date. A Ride Access Pass must be reserved online, in advance of your visit. In addition to an online reservation, you'll need to bring evidence of eligibility with you.

Evidence of eligibility can be any of the following:

- A document issued by a medical Professional indicating diagnosis or impact of Diagnosed condition.
- A Nimbus issued Access Card containing the "Standing and Queuing" symbol or The "crowd" symbol.

If you do not bring one of the above documents, we cannot provide you with a Ride Access Pass.

Blue Badges, DLA and PIP letters are not accepted as evidence of eligibility for the Ride Access Pass.
